MCSE 6309 And EMoS 6309: Machine Learning

June 2019

Machine Learning Resources

If you are looking for machine learning papers, projects or data, the following list can be your starting point

Repositories and Software

- Kaggle Datasets
- UC Irvine Machine Learning Repository
- Global Forest Change, University of Maryland
- The Humanitarian Data Exchange
- World Database on Protected Areas
- Python Anaconda
- Zindi
- Codalab
- Data Science Africa
- Deep Learning Indaba

Online Machine Learning Courses

- Machine Learning, Coursera
- Intro to Neural Networks and Machine Learning, Toronto University.
- Convolution Neural Network for Visual Recognition

Journals, Publications and Blogs

- Journal of Machine Learning Research (JMLR)

- Machine Learning - Springer

- Journal of Artificial Intelligence Research

- Artificial Intelligence Research
